

Waste Management is a leading provider of environmental services in North America, serving more than 21 million customers in all types of industries. Our vision is to provide valued, sustainable products and services that drive growth by extracting value from the materials we manage, reducing environmental impact and increasing reuse opportunities.

ADVANTAGES & BENEFITS

Waste Management's national account program for Participants includes the following offerings:

Comprehensive Waste and Recycling Programs

- Waste-stream management
- Zero-waste and waste-reduction initiatives
- Medical waste solutions
- Single and/or dual-stream recycling
- Food and organics composting
- Specialty recycling for electronics, CFL/lamps, universal waste, batteries, medical waste and sharps
- Construction and demolition recycling
- Hazardous waste solutions

Sustainability Solutions

- Steps for reducing energy and water usage
- Carbon footprint analysis and complimentary solutions
- Waste minimization and zero-waste programs
- LEED® certification process
- Green procurement guidance
- Green events

At Waste Management, we can help your organization push ahead on multiple sustainability fronts. We can, for example, help you:

- Overcome wasteful processes
- Use resources wisely
- Manage fluctuations in your supply chain
- Make energy and material efficiency a priority in every area
- See what lies ahead—and prepare for it

GETTING STARTED

Set up a new Waste Management account

Email Waste Management's Team Entegra at scolleary@intlclubsuppliers.com

Please include the following information in your email:

- Name
- Title
- Name of facility/location
- Address
- Contact information (phone and email)

We will confirm that the facility is in a Waste Management service area.

PLACING ORDERS

After your account is set up, you can request service through your local Waste Management office. You will receive contact information when the account is set up.

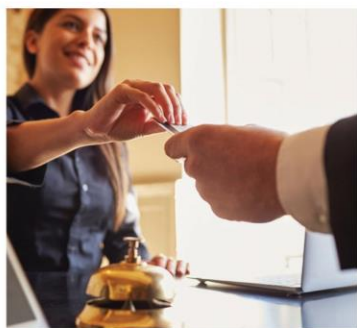

ADDITIONAL INFORMATION

For service issues or to change service, please email:

Waste Management Team Entegra at scolleary@intlclubsuppliers.com

ORDERING INFORMATION

For service requests, please contact your local Waste Management office; contact information is received when your account is set up.
